The room rental includes use of the function space, tables, chairs, linens, and candle centerpieces, as well as staff and labor to set up this equipment. The room rental also includes a basic sound system and cake cutting services. We require that catering, specialty tables, linen and chair rentals are arranged through Sundance. Outside vendors for decor, floral, photography, cake, etc. are welcomed. We strongly encourage the use of a wedding planner to ease your planning and set up.

**Weddings booked more than 2 months in advance**

When booking events more than 2 months in advance, we require lodging to be contracted along with the function space. The Rehearsal Hall has a requirement of 35 rooms per night for 2 nights, the Screening Room and Creekside have a requirement of 20 rooms per night for 2 nights, and the Wasatch Cabin has a requirement of 10 rooms per night for 2 nights. Should your wedding event have no need for lodging, we will check the availability of the space and put a non-contractual hold on it until we are within the 2-month range. Please note that if another group shows interest in your date and is willing to meet the lodging requirement, they will then have priority over the space.
